

Dear colleagues,

Department of Music Education of Faculty of Education at UJEP University Ústí nad Labem and Society for Music Education of the Czech Republic

Cordially invite you to attend an international conference titled

|| HUDEBNÍ VÝCHOVA ||
: PRO 3. TISÍCILETÍ :
|| DIDAKTICKÁ KONFERENCE ||

Pedagogical Faculty UJEP – 5th – 6th April 2019 (Friday-Saturday)

The conference is held on the occasion of the 85th anniversary of the founding of the Society for Music Education of the Czech Republic. As the title suggests, the aim of the conference is to analyze the present situation and to outline the future development of the subject Music Education. That is the reason why we chose the following topics:

- Music Education in the 21st century and its goals
- Role of multimedia in Music Education
- Present and future form of education of Music teachers
- Formal and informal Music Education
- Practical cases – examples of good and inspirational practice

The conference is intended for **Music teachers at all levels (kindergarten, primary and secondary school, art school, university).**

The first day will be devoted to contributions and collective discussions of the individual topics. During breaks between blocks we will offer you presentations of materials that can be used in Music lessons or performances of school choirs. A concert will also be a part of the conference where the stage will be left to pupils in particular. Immediately after the concert a social evening will be prepared.

The second day of the conference will be devoted to workshops and practical examples.

Time allocation of individual contributions is set at 12 minutes. The contributions will be introduced through the musical theoretical and pedagogical periodical *Aura musica*, published by KHV PF UJEP (Department of Music Education of Pedagogical Faculty at UJEP University).
